REPORT NARRATIVE

Synopsis:

Mark McKinney was contacted in possession of a controlled substance in violation of California Health and Safety Code 11350(a),11364.1(a) and 11550(a). McKinney actively resisted and force was used in order to prevent McKinney from assaulting me and escaping. McKinney was additionally arrested for a violation of California Penal Code 69- Resisting arrest.

I sustained minor injuries during the incident and McKinney was also injured. McKinney was transported and admitted to the hospital for the injuries he sustained. McKinney was released to hospital staff pursuant to California Penal Code 849(b)(3).

Origin:

On 10/01/2012, at about 0745 hours, I was on routine patrol wearing a full Sheriff's uniform and driving a marked Sheriff's patrol vehicle, traveling southbound in the 600 block of 12th Street in Ramona.

Background:

None.

Investigation:

I observed a subject walking southbound in the 600 block of 12th Street in Ramona on the east sidewalk in front of 617 11th Street. I recognized the subject from prior law enforcement contacts as Mark McKinney, a known heroin and methamphetamine drug user. I knew there was an active warrant for McKinney's arrest.

I stopped and exited my patrol vehicle. As I exited my patrol vehicle, I keyed my handheld radio to broadcast my location and that I was conducting a pedestrian stop. My radio would not transmit at this time.

I began conversing with McKinney. McKinney told me that he had last used heroin approximately four weeks prior. I asked McKinney, "Do you have anything on you?" McKinney replied, "No." I asked McKinney, "Can I check?" McKinney replied, "Go ahead." I instructed McKinney to turn around. McKinney placed his hands on top of his head. I instructed McKinney to place his hands behind his back. McKinney complied. I grabbed onto McKinney's right and left pointer and middle fingers to control his movement with my left hand. As I grabbed onto McKinney, I noticed that his hands were shaking and trembling. McKinney's hands were sweaty. I could tell that McKinney was extremely nervous. I have personally had several other contacts with McKinney and have never known him to show signs of being nervous when being contacted.

I again attempted to key my handheld radio to notify my partners of my location and that I was conducting a pedestrian stop. I tried several times; however, my radio would not transmit.

I asked McKinney, "Why are you so nervous? You're making me nervous." Not knowing what was causing McKinney to become nervous and unable to request another deputy to respond to assist in arresting McKinney, I decided that I needed to handcuff McKinney for my safety. I used my right hand and removed my handcuffs from my handcuff case. I began to apply the handcuffs on McKinney's left wrist. As soon as the handcuff touched McKinney's wrist he began twisting his body to the left and trying to violently pull his hands out of my grasp. I yelled at McKinney, "Stop pulling away from me!" McKinney was able to pull his hands out of my grasp. During the struggle, I dropped my handcuffs onto the ground.

McKinney began to run southbound on the sidewalk. I began to run after McKinney. After about two to three steps I was able to reach out and grab onto McKinney's shirt using my right hand. I was able to slow McKinney down to allow me to catch up to him. McKinney's shirt began to rip where I had grabbed onto it. I knew that if I didn't change my grip, McKinney's shirt would rip off and he would likely escape. I used my left hand and grabbed onto McKinney's left arm. I was going to try to take McKinney to the ground using an arm bar takedown. McKinney continued pulling away from me and I believed I would lose control of his arm. I released control of McKinney's left wrist with my left hand. I then encircled McKinney's neck with my left arm. I attempted to apply a carotid restraint to control McKinney and take him into custody. As I began to apply the carotid restraint, McKinney aggressively turned his body to the right towards me. With McKinney's body position I knew that I would not be able to safely apply a carotid restraint. McKinney was positioned towards me where he could easily be able to assault me. I could not see McKinney's hands at this point and did not know if he had armed himself with any weapons which may have been concealed on his body. I feared that McKinney may be turning towards me in order to assault me since he was no longer trying to get away. Knowing that I was unable to transmit using my radio and that no other deputies knew that I was in a physical confrontation I knew that I could not allow McKinney to gain any advantage over me. I struck McKinney two times on the right side of his face using my right fist.

I placed my left leg in front of McKinney's left leg and pushed him forward. By doing this, McKinney lost his balance and fell to the ground. I landed on top of McKinney with my arm still encircling his neck. The area where we landed was a dirt and rock landscaping area just outside of a large apartment complex.

There were rocks within reach which McKinney could easily use as a weapon. The dirt area was slightly elevated from the sidewalk where we had been standing. I yelled at McKinney, "Stop resisting!" McKinney lay on the ground for a few seconds. McKinney's hands were underneath his body. I instructed McKinney to pull his hands out and place them straight out. I picked some of my body weight up off of McKinney in order to accommodate him pulling his arms out. As I did, McKinney took advantage of our positioning and put his arms underneath him and pushed himself up. McKinney then pushed himself up onto his knees. I believed that McKinney may be positioning himself to assault me. I believed that in this position I would not be able to safely get McKinney prone on the ground. I felt that I needed to roll McKinney over and back onto the ground. I still had my left arm encircling McKinney's neck. I used my right arm and wrapped it around McKinney's waist. I then rolled my body to the right, bringing McKinney with me. McKinney and I rolled back to the sidewalk where we were originally standing. As we rolled over, I positioned myself so that I would make sure to end up on top of McKinney, in order to maintain a position of advantage. As we came to a stop on the sidewalk, I observed McKinney's head strike the concrete sidewalk. I again told McKinney, "Stop resisting!" My left arm was still encircling McKinney's neck. McKinney told me, "Ok, I'm done!" I told McKinney, "Pull your arms out from underneath you!" Believing that if I were to pick myself up off of McKinney he would again try to position himself to try to assault me, I informed McKinney that he would have to pull his arms out and that I was not going to lift my bodyweight off of him. McKinney complied. I removed my second set of handcuffs from the case and was able to handcuff McKinney. I told McKinney to stay right where he was until other deputies arrived. I continued kneeling next to McKinney. I removed my radio from the radio holder and held it away from my body. I was then able to finally transmit on my radio to request additional deputies to assist me. Deputy Allensworth (#2320) and Deputy Foote (#7349) arrived a few minutes later.

The force that was used was reasonable and necessary in order to prevent McKinney from assaulting me. The force was also necessary to prevent McKinney from evading arrest. If force had not been used McKinney could have assaulted me and/ or evaded arrest.

I arrested McKinney for a violation of California Penal Code 69- Resisting executive officer. Once Deputy Allensworth arrived he assisted me in getting McKinney to stand up. I asked McKinney, "What's the problem today?" McKinney told me that he couldn't go back to jail because he was expecting another child soon. McKinney told me that he had heroin in his possession. I walked McKinney over to Deputy Allensworth's vehicle. I searched McKinney incident to arrest. In McKinney's left pocket I located two pieces of aluminum foil with black burn marks and a straw which was cut in half. The straw had small pieces of a black residue inside. I recognized the aluminum foil and straw as commonly used by heroin users to consume narcotics. I continued my search of McKinney. McKinney's wallet was inside his right rear pocket. Inside McKinney's wallet, I located another piece of aluminum foil with black burn marks. On the foil was a black hard substance which I recognized as heroin. The black hard substance later presumptively tested positive as heroin and weighed .1 gram. McKinney was additionally arrested for California Health and Safety Code 11350(a)- Possession of Controlled Substance and 11364.1(a)-Possession of Narcotic Paraphernalia.

At 0751 hours, I notified Sergeant Cheever (#2050) of the use of force.

McKinney was placed inside the back of my patrol vehicle. I took three photographs of the area where the incident occurred. I then transported McKinney back to the Ramona Substation for processing. While on the way to the Ramona Substation, McKinney complained of pain to his head. I requested Ramona Fire Department Paramedics respond and meet me at the Ramona Substation. While at the Ramona Substation, I took nine photographs of McKinney's visible injuries. McKinney had abrasions on his forehead, back and knees.

I noticed that McKinney was displaying signs and symptoms of being under the influence of a controlled substance. McKinney's pulse was elevated (110 bpm). McKinney admitted to using heroin just prior to being contacted by law enforcement. Based on McKinney's complaint of pain, I was unable to complete a full Under the Influence evaluation of McKinney. I additionally arrested McKinney for a violation of California Health and Safety Code 11550(a)- Under the influence of a controlled substance.

Ramona Fire Department Paramedics arrived on scene and treated McKinney. McKinney requested to go to the hospital and complained of neck and head pain. Paramedics transported McKinney to Pomerado Hospital. I followed Paramedics to the hospital.

While at Pomerado Hospital, hospital staff conducted a CT Scan which revealed that McKinney had a fracture to his C-3 vertebrae. I notified Sergeant Cheever (#2050) of the extent of McKinney's injuries. Sergeant Cheever responded to Pomerado Hospital. McKinney was transferred to Palomar Hospital by paramedics for further treatment of his injuries. I followed Paramedics to the hospital.

Detective McNeill (#2160) met me at Palomar Hospital. I briefed Detective McNeill of the incident. See Detective McNeill's report for his portion of the investigation.

McKinney was released to staff at Palomar Hospital pursuant to California Penal Code 849(b)(3).

Sergeant Cheever photographed injuries which I sustained during the incident. On my right elbow I sustained two small abrasions. On my left knee, I sustained an abrasion. On my right knee, I sustained two small abrasions.

A records check revealed that McKinney has two active misdemeanor arrest warrants for 11550(a) HS.

CENERAL CACE INFORMATION

SYNOPSIS:

On 10-01-12, I assisted Deputy Ward secure a prisoner he had to use force on to effect an arrest. This was in the 600 block of 12th Street in Ramona, after Deputy Ward called for assistance.

This report should be used to supplement Deputy Ward's Arrest Report.

ORIGIN:

On 10-01-12, at about 0746 hours, I was working patrol/COPPS in Ramona when I heard Deputy Ward on my Sheriff's radio advise he had a subject stopped and he needed additional units. It was apparent Deputy Ward was out of breath and knowing Deputy Ward I could tell by the tone in his voice he had just had some sort of struggle/fight.

Deputy Foote and I responded.

INVESTIGATION:

Upon arrival, I observed Deputy Ward lying on top of a white male I recognized (Mark McKinney) from prior contacts. Deputy Ward was face down on McKinney's back and McKinney was chest down on the sidewalk on the 12th Street side of 617 11th Street (military housing). Deputy Ward's left arm was around McKinney's chest and neck area and McKinney was watching me run up.

I assisted Deputy Ward when lifting McKinney by his arms off the ground and to his feet. I mentioned I recognized the suspect and McKinney turned his head away from me. Deputy Ward responded its "Mark McKinney".

As we walked McKinney, I looked back at the sidewalk and saw Deputy Ward's boot marks/scuffs on the sidewalk for quite a stretch and a pair of handcuffs on the ground. I know they were Deputy Ward's boot marks because McKinney was wearing tennis shoes.

Deputy Ward told me he tried to put out his contact via the radio but it was not working and then McKinney tried to get away from him.

Deputy Ward's breathing was still a little labored. I asked Deputy Ward if he had been hit or injured. Deputy Ward said, "Not that I know of." I observed blood coming from Deputy Wards' right elbow area and tiny rocks imbedded into his skin. McKinney did not respond.

I asked Deputy Ward, "All these military guys living around here and no one stopped to help you?" Deputy Ward answered, "Nope, I didn't see anyone." I looked around and I still didn't see anyone, only the cars that drove by.

We escorted McKinney to the back of my patrol car where I held on to McKinney while Deputy Ward checked McKinney for weapons.

Deputy Ward and Foote asked McKinney if he had anything that would poke or cut us or exposed drugs so they don't touch it bare handed. McKinney responded, "It's in my wallet."

Once we secured McKinney in Deputy Ward's patrol vehicle I left Deputy Ward to assist CHP on a higher priority call.

I returned a short time later to photo the scene on the sidewalk. An approximate measurement from the first boot scuff mark to the last one (North to South) was 46 feet.

I assisted Detective Wells in contacting possible witnesses but none were located. I downloaded the digital photos to compact disc and URL. The CD was entered into evidence.

That concluded my investigation.

ORIGIN:

On 10-01-12, at approximately 0745 hours, Deputy Jason Ward #2045 contacted and subsequently arrested Mark McKinney for several drug related charges and resisting arrest. During the incident Deputy Ward made several attempts to use his department issued Motorola XTS 3000 hand held radio to notify the Communication Center and his patrol beat partners of the contact. The radio failed to transmit and "honked" during the attempts. Deputy Ward was finally able to transmit his location and request additional deputies, by removing the radio from his radio holder and holding it away from his body. Deputy Ward later took his radio #49220 / EC10764 to the Sheriff's wireless services unit / radio shop and had it function tested. Deputy Ward notified me the radio shop did not find any obvious problem and the radio appeared to be in working order. The radio antenna was exchanged due to the radio shop having no way of determining if it was faulty. Deputy Ward notified me several days later that the radio was continuing to have issues transmitting. The radio was sent to the wireless services unit for exchange

INVESTIGATION:

On 10-07-12, I went to the location of the arrest, 600 12 th St and conducted a radio check to confirm if the location was an
area of poor reception / radio dead zone. My radio check was received by the Sheriff's Communication Center without
incident. On 10-08-12, I contacted Telecommunications Tech for the Sheriff's wireless services unit / radio
shop. I described the incident and failure of the radio to transmit. He stated if the radio was not faulty the failure to transmit
could have been related to the proximity of the

On 10/9/2012, Sergeant Cheever (2050) requested that I complete a Deputy's Report detailing the evidence blood draw from Mark McKinney on 10/1/2012, which was inadvertently left out of my original report dated 10/1/2012.

Investigation:

This report is a supplemental to my original report which was dated 10/1/2012. On 10/1/2012, at 0938 hours, while at Pomerado Hospital, Phlebotomist (b)(5)(B) drew two vials of blood from McKinney's left arm. I later entered the vials of blood into evidence at the Ramona Substation.

Synopsis:

On 10/01/2012, I assisted in the investigation of an arrest for 69 PC by Deputy J. Ward. Deputy Ward arrested Mark McKinney which resulted in a use of force. The arrest occurred at approximately 0746 hours, in the 600 block of 12th Street in Ramona.

REPORT NARRATIVE

Investigation:

After Deputy Ward transported McKinney to the hospital, Deputy J. Allensworth and I returned to the scene located in the 600 block of 12th Street, in front of 617 11th Street, a military apartment complex that runs between 11th and 12th Street. Deputy Allensworth showed me fresh black boot scuff marks he believed were that of Deputy Ward's. The scuff marks were located on a sidewalk on the 12th Street side of the complex, just outside of the complex.

I also observed rocks and dirt that appeared to be disturbed and moved from in front of the apartment complex onto the sidewalk. This was near the scuff marks. Deputy Allensworth photographed and measured the marks.

I contacted a female adult in apartment number (b) where the incident occurred. I asked the female if she had seen the arrest. She indicated she did not see the arrest.

I contacted a Hispanic couple at the said at the said she was taking her children to school in the morning and saw deputies with a handcuffed male standing near the complex, but she had not seen the arrest or any use of force.

I attempted to contact other possible witnesses in the area, but no witnesses were located. This concluded my investigation.

On 10-01-12, at about 1130 hours, I was asked by Lt. Bovet #2103 to respond to the hospital to interview a prisoner that Deputy Ward #7139 had arrested.

DEPUTY'S OBSERVATIONS AND ACTIONS:

I responded to Palomar Medical Center, located at 2185 Citracado Parkway, Escondido. There, in one of the trauma rooms in the Emergency Department at the hospital, I met with Deputy Ward, who told me he had arrested Mark McKinney earlier in the day in Ramona. McKinney was on a hospital bed in the room with us. Deputy Ward briefly told me he contacted McKinney on Twelfth Street in Ramona, and that McKinney was in possession of heroin. As Deputy Ward was trying to affect McKinney's arrest, McKinney resisted Deputy Ward's efforts, and a struggle between the two ensued.

McKinney's attending nurse told me his C-3 vertebrae was fractured, and that he sustained abrasions to his right arm, both knees, forehead, and left flank. The nurse told me McKinney's attending physician was Dr. (b)(5)

I interviewed McKinney as to the nature of his altercation with Deputy Ward, how he sustained his injuries, and what brought him to the hospital today. Before I began my interview Sgt. Cheever #2050, who was also present, took several digital photographs of McKinney. I also noted McKinney's present condition: He was lying supine on a hospital gurney in the trauma room. He was wearing a cervical collar and his eyes were closed. I noticed a small amount of what appeared to be dried blood on the inside of his slightly-opened mouth, as well as a small dried blood smear on his forehead.

I activated my issued digital voice recorder to memorialize my interview with McKinney. McKinney provided me with the following statement:

Statement of Mark McKinney:

When I first asked McKinney what happened this morning, he said, "I can't really remember." When I questioned him some more, he said he was walking down a street in Ramona, although he couldn't remember which street. He estimated the time was about 0730 hours. He said he was walking to his father's house at (b)(5)(B) McKinney said he had been working construction for his father and he was going to meet him to work for the day. I asked McKinney where he was walking from. He said, "A place I had stayed the night." I asked him where that place was. McKinney said he stayed the night at a friend's house named (b)(5) on B Street in Ramona, but he didn't know the address; he said the nearest cross street was Seventh Street. McKinney said he didn't know (b)(5) s last name, only that it began with an "."

McKinney said that, as he was walking down the street, a Sheriff's deputy pulled alongside of him driving a marked black and white patrol vehicle and yelled out the vehicle window, "I gotcha again!" I asked McKinney what type of vehicle the deputy was driving. McKinney replied, "An Expedition." I asked McKinney to describe the deputy. McKinney replied, "Tall, big. He always fucks with me. He tries to harass me and my girlfriend every time." I asked McKinney if the deputy approached him going the

same direction he was walking or the opposing direction, coming at him head-on. McKinney said the deputy approached him traveling the same direction he was walking.

McKinney said, "I was walking down the road doing nothing." After the deputy said, "I gotcha again," he got out of his patrol vehicle and approached McKinney. McKinney said the deputy had a "big smile" on his face." He said the deputy walked up to him and, unprovoked and for no reason, immediately tried to punch him in the face. McKinney said, "He was trying to hit me. He thinks I'm scum." McKinney said he was able to duck to avoid the deputy's punch, but that the deputy then got him in a "headlock." McKinney said, "He got me in a headlock and I couldn't breathe." McKinney said he told the deputy twice that he could not breathe. McKinney said the deputy, while holding him in the headlock, took him to the ground and smashed his head onto the sidewalk two or three times. McKinney said, "He wanted to hurt me. He was just on top of me." McKinney said the deputy eventually handcuffed him, but put the handcuffs on "so tight he almost cut my arms off."

I asked McKinney if he remembered anyone standing around that might have seen these events unfold, and he said he did not remember seeing anyone around that might have witnessed the incident.

DEPUTY'S OBSERVATIONS AND ACTIONS (cont.):

After I completed my interview of McKinney, I had him sign a Medical Records Release form for Palomar Medical Center. Sgt. Menzies #2036, of the San Diego County Sheriff's Division of Inspectional Services, took this form and attached it to his report.

I later transferred the digital recording of my interview of McKinney onto a blank CD-R and logged the CD-R into evidence at the Ramona Sheriff's Substation under control number 12150659-R.

On the afternoon of 10-02-12 Sgt. Cheever delivered to me a CD which contained the thirty-two digital photographs he took of McKinney and his injuries and Deputy Ward and his injuries. I later logged this item into evidence at the Ramona Sheriff's Substation under control number 12150659-R.

San Diego County Sheriff's Department Use of Force Supplemental

Use of Force Supplemental Instructions

Lines 1 & 3: Fill in the blanks.

<u>Line 2</u>: If the suspect was committing a crime and force was used to stop or apprehend the subject, document the appropriate penal code. If the UOF occurred in the performance of the officer's duties, document the incident description, i.e. officer transport, officer escort, making arrest, detaining suspect, cell extraction etc.

Primary Reason for Using Force: Check appropriate box(s).

Subject Appeared To Be: Check if applicable.

Number of Officers on Scene: List number of officers present.

Number of Officers Using Force: List number of officers that used force.

Level(s) of Resistance Encountered: Check appropriate box(s).

<u>L.E. Tool/Technique Used</u>: Check appropriate box(s). If known and/or applicable, include duration (approximate length of time) tool/technique was used. If known and/or applicable, include the number of contacts (approximate number of strikes, impacts, etc.) when requested on form.

<u>Was Initial Use of Force Effective?</u> If initial force used was effective, check "Yes." If initial force used was ineffective and additional force was necessary, check "No."

<u>Was Additional Control or Force Needed</u>: If initial force used was ineffective and additional force was necessary, check "Yes." If initial force used was effective, check "No."

<u>Target Distance</u>: If applicable (refers primarily to less lethal weapon systems), approximate distance or provide range (i.e. 7-15 feet, 15-20 yards, etc.) from subject during application of force.

<u>Subject Injured</u>: Check "Yes" if medically treated for injury sustained as a possible result of force applied by a officer(s) – does not include previous injuries suffered prior to officer contact. Check "No" if subject was not injured or simply complains of injury/pain suffered as a result of force applied by an officer(s) and refuses medical attention. Any complaints of pain shall be documented in the use of force report narrative (whenever any physical force used by a officer results in a complaint of injury or an injury that necessitates medical treatment of a subject, a supervisor will be notified immediately).

Extent of Treatment: Check appropriate box. Check none if subject was evaluated and no treatment was required. Specifically, check "Treated at Scene" if subject was treated at scene by EMS for injuries that may have resulted due to force applied by officer(s). Check "Treated at Hospital" if subject was transported to hospital for treatment of injuries that may have been sustained as an apparent result of force applied by officer(s). Check "Hospitalized" if subject was admitted to the Hospital as a result of injuries that were sustained as a result of force applied by officer(s).

Officer Injured: Check appropriate box (see above).

Extent of Treatment: Check appropriate box. Check none if officer was evaluated and no treatment was required. Specifically, check "Treated at Scene" if officer was treated at scene by EMS for injuries. Check "Treated at Hospital" if officer was transported to hospital for treatment of injuries. Check "Hospitalized" if officer was admitted to the Hospital as a result of injuries.

<u>Other Force Used/Comments/Equipment Performance:</u> This section can be used to document other force options not listed on the form; relevant comments about the incident such as complaints of pain/injury (room permitting) and negative/positive comments regarding equipment performance.

Mark Figure to Indicate Contact Points: When applicable, mark the areas on the figure where applied force contacted the subject's body.

Sergeant: Sign, list ARJIS number and date reviewed.

<u>Lieutenant</u>: Sign, list ARJIS number and date reviewed.

<u>Captain</u>: Sign, list ARJIS number and date reviewed.
